RE: INVITATION TO DELIVER A TALK ON AGRICULTURAL & AGRI-BUSINESS OPPORTUNITIES IN KENYA

On behalf of the Dawoodi Bohra Community in Nairobi, we are pleased to warmly invite you to deliver a practical and insightful talk on Agricultural and Agri-Business Opportunities in Kenya. This initiative is inspired by the guidance of His Holiness encouraging community members to enter and grow within this vital sector.

We would greatly value your expertise and practical insights on the following key areas:

- The current landscape and profitability of agriculture in Kenya
- Entry opportunities across low, medium, and high investment levels with realistic return expectations
- High-potential agri value-chain businesses beyond primary farming
- A simple starter roadmap for new entrants
- Market access strategies and common pitfalls to avoid
- Relevant technologies, partnership/joint models, and brief Kenyan case studies

The objective of this session is to provide clear, practical, and actionable pathways for individuals interested in building sustainable agriculture and agri-business ventures.
